

Dan Vera is a dynamic Environmental Health and Safety professional with over 27 years of progressive success providing leadership and guidance in the transportation, consulting, aerospace, education, and maritime industries. He has received an EH&S Excellence Award in 2018 for "The Most Improved Aerospace Facility".

He is currently the EH&S Director at SBSBTC, a Department of Defense Contractor and part-time Adjunct Instructor at the Southwestern Community College District where he teaches continuing education and academic courses for our future EH&S professionals.

Dan will highlight some of the questions that EH&S students have for employers and hopefully get feedback from you regarding the expectations you have for students.

### Welcome EHMT 260-530 Students!

Hello, My name is Dan Vera and I am thrilled to be your EHMT 260-530 Occupational Safety Instructor this semester. Over the next semester you will be exploring the world of occupational safety and learn to anticipate, recognize, evaluate, and control hazards in your workplace. I am here to assist you so please email me if you have any questions. I will respond within 24 hours.

So get ready to jump into a new chapter in your career by clicking on your Orientation Module below!
